**Re: Ex Parte — Qwest Communications International, Inc.
Consolidated Application for Authority to Provide In-Region, Inter-
LATA Services in Colorado, Idaho, Nebraska and North Dakota, WC
Docket No. 02-148**

Dear Ms. Dortch:

Today, the undersigned, representing Hewlett-Packard (“HP”), met by telephone conference with Jon Minkoff and Michael Carowitz of the FCC’s Wireline Competition Bureau upon the initiative of Mr. Carowitz. The discussion concerned HP’s Pre-Order to Order Integration Report, Version 5.0, dated April 15, 2002 for the Arizona Corporation Commission filed by Qwest in the above-captioned matter as LN-OSS-11. Specifically, Mr. Minkoff requested clarification regarding two paragraphs of this Report which appeared to be contradictory.

Upon review of these paragraphs, HP has determined that an inadvertent typographical error occurred in the final paragraph of Section 5.3 CSR to LSR Parsing Analysis (page 37 of LN-OSS-11). This paragraph was intended to be identical to the statement in the Executive Summary Section 1.3 CSR to LSR Parsing Analysis (page 9 of LN-OSS-11), however, the word “not” was omitted in error in the first sentence of the last paragraph on page 37 of LN-OSS-11.

HP has therefore today issued a corrected Version 6.0 of this report (attached).

Respectfully submitted,

**Geoff May
Hewlett-Packard**
